Bream Creek Vineyard

◊ T A S M A N I A ◊

Bream Creek Vineyard is one of the pioneers of the modern Tasmanian wine industry. Our 7.5ha vineyard at Marion Bay in the south-east of Tasmania was originally planted in 1974, making it one of the oldest commercial vineyards on the island. Fred Peacock purchased the vineyard in 1990 and expanded the Pinot Noir and Chardonnay plantings, as well as introducing Sauvignon Blanc. Fred also planted what was arguably the first commercial planting of the rare German grape variety Schönburger in the southern hemisphere. Since 1990 our premium cool climate wine has been rewarded with 36 trophies and more than 900 show medals.

2018 Bream Creek Estate Pinot Noir

Tasting Note

Vintage 2018 will be remembered as one of the earliest, quickest and largest vintages to date. The quality of grapes received was excellent, with the warm weather during vintage allowing us to harvest at optimal flavour ripeness.

This premium cool climate Pinot Noir has a fragrant red cherry and spice nose, supported by a refined and elegant palate of dark and red cherries, a long finish and excellent tannins. Enjoyable now, this wine may also be confidently cellared.
